Steps	Discover Standard Laptop catalog	Open Service Catalog	Select Standard Laptop	Submit request	Flow processes request
Interactions	ServiceNow portal	Catalog interface	Request form	Confirmation / status	ServiceNow workflow
Goals & motivations	Help me find the standard laptop option	Help me submit required details	Help me complete the request	Help me know it was processed	Help me avoid repeated manual follow-up
Positive moments	Clear catalog item	Simple request form	Automation starts	Less manual work	Repeatable process
Negative moments	May not know where to find item	Form fields can cause confusion	Workflow may require configured data	Status may not be immediately clear	Manual exceptions may still need attention
Areas of opportunity	Improve catalog visibility	Use clear field labels	Automate more approval/assignment steps	Provide clearer status updates	Add reporting and monitoring
